The islands of the Eastern Caribbean are closer than you think and they want you to visit. Join Best of Times Travel on this exciting, sun-filled, pamper me, vacation. There's no better way to get out of the New England winter doldrums than to escape to the warm waters of the Caribbean. Sail on one of Norwegian's Newest and Best Cruise Ships ever built - the Breakaway. This is more than a ship, it's a destination unto itself. Named best new Ship by Cruise Critic and Best Cruise Ship for Families by USA Today, there's something on board for everyone. Breathe in the fresh ocean air and connect with the sea like never before along The Waterfront, a quarter-mile oceanfront promenade lined with restaurants, bars and spectacular views. Indulge in more than 25 dining experiences, including three new, dedicated seafood venues. And enjoy dazzling Broadway performances - Rock of Ages, Burn the Floor and Cirque Dreams & Dinner Jungle Fantasy. Norwegian Breakaway combines the best of New York City with the most magnificent amenities at sea. One of the best aspects of this program is that we leave from NY City so there's no flying involved. **Plus we have included a Best of Times Exclusive Component - The September 11th Museum & Memorial!** There's nothing quite like the allure of New York City and we've taken it to a whole new level. Enjoy the very best of the Big Apple as we point out some of the great sites it's known for as we make our way to The National September 11 Memorial. The museum is a tribute of remembrance and honor to the nearly 3,000 people killed in the terror attacks of September 11, 2001 at the World Trade Center site, near Shanksville, Pa., and at the Pentagon - admission is included. We will also spend time uptown where we will be dropped off for FREE TIME near Rockefeller Center. Once here you may want to explore at your own pace sights such as St. Patrick's Cathedral, Times Square, Top of the Rock, NBC Studio Tour, or others. You may decide to take in the great shopping on Madison or 5th Avenue! With more time to relax on board ship and take in all of the amenities, this truly is your ability to escape the everyday, on board your Caribbean getaway.
