Our Itinerary:

**Day 1:** We begin our trip with transportation to Logan airport from your group's designated pick-up location. We fly overnight from Logan Airport in Boston.

**Day 2: Rome, Italy** - Civitavecchia is the gateway to all the magnificence of the ancient city of Rome. Whether it's the Forum, the Sistine Chapel, the Pantheon or St. Peter's Basilica that sparks your interest and intellect, Rome is home to a lifetime's worth of historical, architectural and spiritual sites. Upon our arrival we will embark on a terrific tour of the city to bring this ancient city full of historic treasures to life. Later this afternoon we will embark on our home for the next 8 days - the Norwegian Epic.

**Day 3: Livorno (Florence/Pisa), Italy** - Livorno, in the Tuscan region of Italy, is ideally located for exploring some of the most beautiful cities in Italy, including Florence and Pisa. Florence is most noted as the birthplace of the Renaissance. Of course this is the home of one of Michelangelo's masterpieces, the Statue of David. Don't miss the Duomo's magnificent baptistery doors, and the Uffizi Gallery's collection of artistic masterworks. Nearby is Siena, showplace of Italian Gothic; and Pisa, with its famous Leaning Tower.

**Day 4: Cannes, France** - Drive up Suquet Hill for a view of the city, sea and Lerins Island - fabulous dahling! How many rich and famous can you spot, walk the palm-lined promenade de la Croisette and count. The French Riviera at its best...the International Film Festival calls this home.

**Day 5: Palma Majorca,** - On the one hand, this city, founded by the Romans some 2,100 years ago, is replete with (literally) wall-to-wall history and architectural splendor. You can journey back in time and wander the mazes of alleyways and cobblestone paths that surround the Gothic cathedral. On the other hand, Palma is bustling with life, showcasing the island's best restaurants, shops, nightlife and a vibrant art scene.

**Day 6: Barcelona, Spain** - Catalonia's capital shines like a polished jewel. A cornucopia of architectural highlights line broad, tree-lined boulevards. Enticing seafood restaurants embellish a well-groomed port. Half a millennia separate Barcelona's two great cathedrals, the massive Gothic structure in the Bari Gothic and Gaudi's stunning and still unfinished Sagrada Familia. Full of life is the Paseig de Gracia with its fantasy architecture, shops and colorful street scenes.

**Day 7: Naples/Pompeii, Italy** - Naples is the perfect jumping off point for the jewels of the Amalfi Coast. Take a jetfoil ride to the cliffs of Capri, where you can float into the Blue Grotto or ascend to Anacapri to drink in the view. Tour eerie Pompeii in the shadow of Mount Vesuvius. Wind along the Amalfi Drive through a resort-dotted dreamscape. The vistas are worth every hairpin turn.

**Day 14:** After breakfast this morning we depart for the airport and continue back home with incredible memories from this magnificent journey.
